

INTERMODAL TRANSPORTATION SERVICES

One Source. Many Modes. Endless Solutions.

Mode Transportation's nationwide end-to-end truck and rail services provide the most reliable intermodal transit solution for moving your products. Our network of trusted partners, and unyielding commitment to customer service, helps get it right every time.

WHY CHOOSE MODE TRANSPORTATION FOR YOUR INTERMODAL NEEDS?

Mode Transportation is among the largest intermodal service companies in North America. Our long-term relationships with every major rail provider give Mode Transportation customers continuous capacity and competitive negotiated rates. Through the recent acquisition by Hub Group, Mode Transportation now has direct access to the largest pool of intermodal containers in the country. We manage every phase of every move, including origin drayage, rail linehaul and destination drayage.

SPECIALIZED INTERMODAL SERVICES

- Standard Marine, High Cube and Domestic Rail Containers
- Temperature Controlled (Refrigerated and Frozen)
- Dry and Hazardous Material
- Drayage

PLUS THE VALUE OF MODE TRANSPORTATION CAPABILITIES

- Multiple mode options
- Shipment visibility
- Fluid truckload conversions
- Coordinated truckload consolidations
- Negotiated rail rates and rail billing
- Load tendering
- Accounts payable/receivable management with carriers
- Expedited car order process
- Cross-border moves to and from the United States, Mexico and Canada
- Historical data and lane analysis
- Claims and routing management

THE ADVANTAGES OF MODE TRANSPORTATION'S INTERMODAL SERVICES

Mode Transportation is the single source for all of your intermodal needs.

- ➔ **Full range of services** – we manage all the details, from the transportation bidding process to final delivery and payment settlement. Mode Transportation's customers spend less time managing multiple draymen and rail lines.
- ➔ **Access to capacity** – our well-established partnerships give you capacity when and where you need it.
- ➔ **Competitive pricing** – our national buying power and volume savings help you predict and control costs.
- ➔ **Consistent, on-time, quality service** – through our quality controls and our defined provider network.
- ➔ **Expertise in temperature controlled, specialty services and transloading** – giving you flexibility throughout seasonal surges, peak times and climate variations.
- ➔ **Complete pick-up, transit and delivery coordination** – we manage all aspects of start-up to ensure a smooth transition.
- ➔ **One bill convenience** – pre-auditing of invoices and bill pay simplifies your accounting processes.
- ➔ **Increase operating efficiencies and visibility** – with Mode Transportation's proprietary state-of-the-art transportation management system (TRITAN™).
- ➔ **Reduce your carbon footprint** – through Mode Transportation's intermodal rail services which provide a greener transit solution.

MODE TRANSPORTATION

Mode Transportation is an asset-light based third-party logistics company focused on delivering truck brokerage, less-than-truckload, intermodal and international services. Mode Transportation encompasses a vast network of operation centers across North America to meet our customers' needs. Mode Transportation is headquartered in Dallas and is a wholly-owned subsidiary of Hub Group.
