

# LESS-THAN-TRUCKLOAD (LTL) TRANSPORTATION SERVICES

**One Source. Many Modes. Endless Solutions.**

Discover a better way to move products and meet critical distribution requirements with Mode Transportation.

## **WHY CHOOSE MODE TRANSPORTATION FOR YOUR LESS-THAN-TRUCKLOAD NEEDS?**

With Mode Transportation, you obtain access to one of the country's largest carrier networks, supported by talented, service-oriented professionals, innovative processes and cutting-edge technology. The result: competitive pricing, increased efficiencies, flexible capacity and improved customer service.

## **SPECIALIZED LTL SERVICES**

- Temperature Controlled
- Hazardous Material
- Liftgate
- Expedited and Time-Definite
- Sort and Segregate
- Residential Deliveries

## **PLUS THE VALUE OF MODE TRANSPORTATION CAPABILITIES**

- Cross-border moves between the United States, Mexico and Canada
- Fast rate quotes, from one-off shipments to complete LTL transportation solutions
- Full track and trace visibility
- Competitive pricing, including single-rate base versus multiple tariffs, "spot market" or "volume" shipments
- Pool distribution, zone skipping and consolidation
- Weekly manifest invoicing
- Historical data, lane analysis and National Motor Freight Classification (NMFC) analysis

## THE ADVANTAGES OF MODE TRANSPORTATION'S LTL SERVICES

We're a one-stop provider for your LTL distribution needs.

- ➔ **One source** – combine the benefits of having hundreds of less-than-truckload carrier relationships with the ease and simplicity of utilizing a single-source provider.
- ➔ **Optimal carrier identification** – selected based on your unique requirements.
- ➔ **Full range of services** – we manage all the details, from the transportation bidding process to final delivery and payment settlement.
- ➔ **Pick-up, transit and delivery coordination** – managing start-up to ensure a smooth transition.
- ➔ **Access to capacity** – our well-established partnerships with local, regional, super-regional and national carriers means you will always have capacity.
- ➔ **Volume savings** – our national buying power allows us to negotiate aggressive pricing.
- ➔ **Comprehensive routing guides** – specific to your lanes.
- ➔ **Save office time** – our experts manage your shipments including claims management and carrier payments.
- ➔ **One bill** – with pre-auditing of invoices and bill pay.
- ➔ **Improve visibility** – with our proprietary state-of-the-art transportation management system (TRITAN™).
- ➔ **Consistent, on-time, quality service.**
- ➔ **Operate with confidence** – use our network for built-in contingencies in the ever-changing carrier landscape.
- ➔ **Commitment to the environment** – We are a SmartWay™ Transport Partner, a U.S. Environmental Protection Agency program that encourages sustainable transportation practices.

## MODE TRANSPORTATION

Mode Transportation is an asset-light based third-party logistics company focused on delivering truck brokerage, less-than-truckload, intermodal and international services. Mode Transportation encompasses a vast network of operation centers across North America to meet our customers' needs. Mode Transportation is headquartered in Dallas and is a wholly-owned subsidiary of Hub Group.
