

MULTIMODAL TRANSPORTATION

One Source. Many Modes. Endless Solutions.

Mode Transportation is an end-to-end multimodal service provider that is unmatched in expertise and diversity. No other company is better prepared to meet your unique transportation needs.

WHY ARE STRENGTH AND DIVERSITY SO IMPORTANT?

The transport of products is a complex orchestration of time, temperature, tracking and countless other details. Mode Transportation's portfolio of modes — truckload, less-than-truckload, intermodal, rail, international and specialty services — gives our customers a competitive advantage in the global market. We make your job easier by selecting and managing the most cost-effective modes for moving your goods to market.

TRUE MODE DIVERSITY

Compared to the activity of several competitors, Mode Transportation provides a more balanced capability across major transportation modes.*

* Competitor information based on 2010 data published in applicable competitor SEC Filings.

¹ Percentages based on Transportation gross revenue.

² Percentages based on Transportation gross revenue. BCO Independent Contractors and Truck Brokerage Carriers were combined to estimate total TL and LTL percentage of revenue.

INDUSTRY-LEADING MULTIMODAL DIVERSITY

- ➔ **Mode neutrality and optimal carrier identification** — With our diversified client base and service reach across primary modes and expertise, you receive solutions tailored for each of your unique shipments.
- ➔ **Access to capacity** — A balanced spend across modes allows Mode Transportation to provide customers continued access to the best carriers at competitive rates.
- ➔ **Partner in sustainability** — Since 2006, Mode Transportation has been a SmartWay™ Transport Partner.
- ➔ **Ease of doing business** — We carefully manage customer and vendor relationships, along with their associated transactions across major modes, so you can focus on your company's core competencies.
- ➔ **Visibility and optimization** — With TRITAN™, Mode Transportation's proprietary TMS solution, we manage all of your shipping requirements efficiently and effectively, providing real-time track and trace, optimization and the essential performance metrics you need.

MODE TRANSPORTATION

Mode Transportation is an asset-light based third-party logistics company focused on delivering truck brokerage, less-than-truckload, intermodal and international services. Mode Transportation encompasses a vast network of operation centers across North America to meet our customers' needs. Mode Transportation is headquartered in Dallas and is a wholly-owned subsidiary of Hub Group.
