

TRUCKLOAD TRANSPORTATION SERVICES

One Source. Many Modes. Endless Solutions.

Reduce costs, improve capacity and achieve higher service levels.

WHY CHOOSE MODE TRANSPORTATION FOR YOUR TRUCKLOAD NEEDS?

Mode Transportation's truckload services are tailored to fit your unique business needs. Mode Transportation draws on decades of experience and a carrier network of 14,000+ providers to manage the efficient and timely transit of your goods.

Mode Transportation provides reliable truckload capacity at a competitive price. Through comprehensive freight analysis, bidding and load matching, you get service that anticipates your needs and constantly adjusts your solution for peak efficiency.

SPECIALIZED TRUCKLOAD SERVICES

- Accounts payable/receivable management with carriers
- Cross-border moves between the United States, Mexico and Canada
- Competitive pricing, including single rate base, spot market and volume shipments

THE ADVANTAGES OF MODE TRANSPORTATION'S TRUCKLOAD SERVICES

- ➔ **Spend less time managing multiple transportation carriers** – we offer the simplicity of one provider with access to a nationwide network of partners.
- ➔ **Consistent, on-time, quality service** – including peak periods, through our quality controls and provider network.
- ➔ **Optimal carrier identification** – selected based on your unique requirements.
- ➔ **Full range of services** – we manage all the details, from the transportation bidding process to final delivery and payment settlement.
- ➔ **End-to-end coordination from start up** – pick-up, transit and delivery coordination are managed to ensure a smooth transition.
- ➔ **Access to capacity** – through our well-established partnerships with local, regional and national carriers.
- ➔ **Competitive pricing** – extended to you through our national buying power and volume savings.
- ➔ **Increase operating efficiencies and visibility** – with Mode Transportation's proprietary state-of-the-art transportation management system (TRITAN™).
- ➔ **One bill convenience** – pre-auditing of invoices and bill pay simplifies your accounting processes.
- ➔ **Commitment to the environment** – we are a SmartWay™ Transport Partner, a U.S. Environmental Protection Agency program that encourages sustainable transportation practices.

MODE TRANSPORTATION

Mode Transportation is an asset-light based third-party logistics company focused on delivering truck brokerage, less-than-truckload, intermodal and international services. Mode Transportation encompasses a vast network of operation centers across North America to meet our customers' needs. Mode Transportation is headquartered in Dallas and is a wholly-owned subsidiary of Hub Group.
